

Municipality of the District of Lunenburg
Fire & Emergency Services

MEMORANDUM

Date: November 16, 2018
To: Chair and Committee Members of the FESC
From: Chris Kennedy, Fire & Emergency Services Coordinator
Subject: Added Agenda Item on Dispatch Space in New MODL Building.

Council was asked through the FESC to consider a dedicated space in the newly proposed municipal building for dispatch purposes.

At the November 13, 2018 Municipal Council meeting, Council voted to proceed with the new MODL Administration Building design without the inclusion of a dedicated space for local fire dispatch services.
