Trails of the Municipality

Suggested routes & more information

The Municipality of Lunenburg Trail Maps provide detailed information on the trail systems in the municipality. These maps are available online and in printed form. They include information on trail conditions, distances, and other relevant details.

Leave No Trace

Leave No Trace principles are about outdoor ethics, and the challenge is to minimize our impact on the environment. Five principles are built into Leave No Trace:

1. Plan Ahead
2. Travel and Camp Cleverly
3. Leave What You Find
4. Disperse Directly
5. Travel and Camp Sustainably

These principles are designed to be easily understandable and applicable to any trail system. They provide a framework for responsible outdoor recreation and help ensure that trails remain accessible and enjoyable for all users.

Estimated walking time & difficulty

Average walking time: 1 hour
Average difficulty: Easy

Start Your Adventure Here!

Almost entirely on pavement. Probably suitable for strollers.

Reporting damage

If you see something on any of the trails that has caused damage, please report it to the municipality. We strive to keep our trails in good condition for all users, and we need your help to keep them that way.

Trail etiquette and safety

- Be courteous to others on the trail.
- Follow all local regulations and signs.
- Use a bicycle bell or horn to pass or let others know your presence.
- Stay to the right of the trail, except when passing.
- Be aware of other trail users - stay alert!
- Keep to the left on the road, except when passing.
- Use a bicycle bell or horn to pass or let others know your presence.
