

Municipality of the District of Lunenburg INTERNET UPDATE

September 2020

BUTLER LAKE COVERAGE AREA

Please Note: This map shows the anticipated coverage area provided by TNC Wireless. This may change - the actual coverage can not be determined until TNC is on site to try and make a connection.

Access to high-speed Internet for residents of the Municipality remains a priority for Council. Through the Municipal Internet Connectivity Strategy, funding and technology solutions have been identified to deliver this critical infrastructure.

District
of Lunenburg

For specific site requests please contact TNC Wireless at www.tncwireless.ca or contact Dave Waters, Director of Business Development at dave.waters@modl.ca.
